Future fight gambit guide

Is a self-help writer/speaker and AI thinker who currently works as an IT Manager in a technology company. He also makes apps as a side hustle. Copyright Marvel Entertainment and Netmarble GamesMarvel Future Fight remind me of the Marvel Ultimate Alliance where you can play and customize multiple characters from the Marvel universe. The game is an online dungeon crawler RPG where there are multiple modes to play that require you to build the right character and assemble the right layer. Note: I will continuously update this article with new characters and builds as long as I have readers like you who need help. Copyright Marvel Entertainment Doctor Strange Infinity War UniformMy personal favorite. Doctor Strange IW uniform has many tricks on the sleeve. Apart from its Time Freezing capability already provided. This uniform's attacking skills can paralyze, bind, penetrate barrier and hit ignore targeting. It can also heal and have immunity to All Damage plus skill reset. With all the characteristics that I mentioned, Doctor Strange IW uniform excels in different game modes from dealing with difficult levels to fighting other players. Recommended Uru: Energy AttackTransore DefenseCritical RateCritical DamageInmanned ISO-8 Set: Power of the Angry HulkorOverrideRecommended ISO-8 Statistics: Powerful - All AttacksImplying - Energy AttackImpimperable - All Defense Absorption - All DefenseChaotic - Energy Attack and HPRRecommended Gear Custom: Guard Break Immunity, Critical Speed and InvincibleorC.T.P. of Authority - With this equipment, your Doctor Strange will become a force to be reckoned with in Timeline Battle.Copyright Marvel EntertainmentIron Man Infinity War UniformAs their previous uniforms, this should be approach different when it comes to both playing and building the character. Let's talk about its uniform effect first. It provides shields based on Iron Man's HP percentage that recovers at a certain amount per second. So it should be built with HP as one of the priority statistics. When it comes to skills, infinity war uniform has less ignore targeting skills than its predecessor, but its new high DPS handling skills make up for it. So the style of play should be more to kill enemies first before it has the chance to hit you. Then save your ignoring skills to the most critical situations. Recommended Uru: HPEnergy AttackIgnore DefenseRecommended ISO-8 Set:Drastic Density Enhancement - Provides the right bonuses for this build as all attacks and hp increase.orStark Backing - Choose Tony Stark's own set if you prefer hp healing and more defense. Recommended ISO-8 statistics: Powerful - All attacksConsistent - All attacksImpregnerbar - All Defense Absorbent - All DefenseChaotic - All Attacks and HPRRecommended Custom Gear: Double Max HP and Invincible - This custom equipment will focus more on feeding the power of the shield. Invincible comes in handy especially under the timeline battles.orC.T.P. by Transcendence – this custom equipment if you prefer more offensive power on the Iron man. Its all attack bonus will benefit both its energy and physical damage especially Mass Fire skills that summon multiple illusions. Copyright Marvel EntertainmentThor Infinity War UniformThor with IW uniform is the main choice if you want a good balance powerful character. It can handle high damage and has high defenses with multiple sources of survival such as immunity to all harm, guarding against his, and ignoring targeting. Thor's attack can also penetrate the barrier and immune to all damage. This is one of the best and most powerful universal character in the game. Recommended Uru: Energy AttackTransore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry HulkorOverrideRecommended ISO-8 Statistics: Powerful – All AttacksInfluence – Energy AttackImpresable – All Defense Absorbing – All DefensesCabaret – Energy Attack and All DefensesSRible Custom Gear:Guard Immunity Break, Lightning Damage and InvincibleorC.T.P. by AuthorityCopyright Marvel EntertainmentCaptain America Infinity War UniformCaptain America's Infinity War Uniform transforms this standard tank character into a full brawler type. That not only has excellent survival ability, but also good damage per second! Make this one of the best match characters in the game. It works very well in one on a game, especially in boss battles and timeline matches. Recommended Uru: HPPhysical AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry Hulk – Recommended if you want to focus on increasing your damage.orI is also Groot – Recommended if you want better survival. This will make Captain America harder to kill. Recommended ISO-8 Statistics: Powerful – Physical AttackImplication – All AttacksImpregnerbar – All Defense Absorbent – All Defense Cabaret – Physical Attack and HPRRecommended Custom Gear:Double Max HP and Create an Energy Shield Equal Percentage of Max HP – Compliments well with Captain America's leadership skill.orC.T.P. by Refinement - This custom equipment works best with I am also Groot ISO set bonus. Copyright Marvel EntertainmentWinter Soldier Infinity War UniformThis Infinity War uniform is a massive character boost for the Winter Soldier. Transform it from nothing into one of the best speed characters in the game. The attack is not only about major damage, but also turns fear into enemies literally, making them unable to fight effectively. Copyright Marvel EntertainmentBlack Widow Infinity War UniformBlack Widow relies on dodging not only for survival, but also to increase its critical hit and critical damage. When it comes to injury, this character trades not only physical damage, but energy damage also in a form of lightning. This character is very hard to kill by enemy bosses because apart from her high dodge rate, her Infinity War uniform skills have different ignore targeting effect. Tip: Its skill Riposte can handle a lot of continuous damage in a small area. This is good for killing bosses and for keeping them on bayRecommended Uru: DodgeIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set: Spy TacticsorHawk's EyeRecommended ISO-8 statistics: Powerful - All attacksConsimplifying - All attacksImpregnable - All DefenseAbsorbing - All DefenseChaotic - All attacks and all defenseRecod Custom Gear: Dodge, Lightning injuries, and HealingorC.T.P. by DestructionCopyright Marvel EntertainmentWar Machine Infinity War UniformWar Machine will finally live up to its name when you have its Infinity War Uniform.
